

Southern University System Presidential Search - 2026

Stakeholder Engagement Listening Sessions Facilitated by TM² Executive Search

The Southern University Presidential Search Committee invites members of the university community to participate in stakeholder engagement sessions designed to gather input on the leadership profile and priorities for the next President of the Southern University System.

Each session will last approximately 1 hour. **All times listed are Central Time.**

Southern University at New Orleans (SUNO)

Monday, March 16

Time

11:00 – Noon

1:00 – 2:00 PM

3:00 – 4:00 PM

6:00 – 7:00 PM

Stakeholder Group

Faculty

Students

Administration/Staff

Alumni/Community

Purpose of the Sessions

The sessions will allow members of the Southern University community to share their perspectives on:

- Desired qualities and leadership attributes of the next System President
- Opportunities and challenges facing the Southern University System
- Priorities for strengthening the institution's academic, research, and community impact

Input gathered during these sessions will assist in developing the leadership profile and identifying the strongest candidates for consideration.
